Thanks Jim. Although I just emailed you the draft Local Limits report, I will hold off on the hard copy until we get your comments. Hope you have a happy Thanksgiving as well.

Randy,

Please see the attached letter regarding an extension to the Administrative Order deadline for the draft Comprehensive Headworks Analysis Report.

As indicated in the letter, EPA will be sending comments/questions on the Preliminary Report on Local Discharge Limits (submitted October 26, 2015) next week so that they can be incorporated into the draft Comprehensive Headworks Analysis Report.

Feel free to contact me if you have any questions.

Have a Happy Thanksgiving!

Jim
